

The CCI shows how well local educational agencies (LEAs) and schools are preparing high school students for success after graduation, whether in postsecondary education or in a career. For this reason, the CCI consists of both college- and career-readiness measures. This flyer contains the career-readiness measures. For college-readiness measures, please access the California Department of Education (CDE) CCI Measures of College Readiness document at <https://www.cde.ca.gov/ta/ac/cm/documents/ccicollge.pdf>.
